

ARE YOU READY TO TAKE THE NEXT STEP IN DISASTER PREPAREDNESS?

The Loma Linda and Colton Fire Departments are holding Community Emergency Response Team (CERT) training for new members.

The CERT team, comprised of community members, is trained to provide assistance to their families, neighbors, and the community during a disastrous event.

CERT members receive a minimum of **20 hours** of training on disaster preparedness, light fire suppression, basic medical aid, light search and rescue, and team operations.

All residents and businesses are welcome! Those who complete the training receive a backpack, helmet, vest, safety glasses, and gloves.

If you would like more information on Loma Linda or Colton's CERT, please call the Fire Department's Emergency Services Coordinator at (909)799-2860 or email skendall@lomalinda-ca.gov
