

VOLUNTEERS NEEDED

***to participate in a Point of Dispensing Exercise
with San Bernardino County Dept. of Public Health***

A Point of Dispensing (POD) site is a location that provides medications and vaccines to a large community during a public health emergency, such as a pandemic influenza or bioterrorism event.

Location: Luque Center
292 East "O" Street, Colton
Date: Monday, May 21, 2018
Time: 5:30PM—8:30PM

Considerations:

- Volunteers may serve as "client" actors or POD staff.
- Just-in-time training will be provided.*
- Dress: Work appropriate (casual), uniform as appropriate (DisasterCorps, CERT, MRC), and comfortable shoes.
- Volunteers are expected to stay for a total of 3 hours.

*An additional POD training will be available for those interested and available.

Please register as a volunteer on Eventbrite using the following link:

<https://sbcdphpod0418.eventbrite.com>.
